

## Crystal Clear Celebrity Camp

Hello! I am Crystal L. Bass, a native Baltimorean who believes in youth development opportunities and the magnetism of star power. As an author, Screen Actors Guild (SAG) actress, playwright, TV personality, freelance writer, mentor, producer and motivational speaker, I feel compelled to inspire young people to fulfill their purpose and relentlessly chase their dreams. I want to show youth that their dreams of working within the entertainment industry are attainable and that fame is the reward of hard work, determination, and skill mastery!

Having worked in the entertainment industry for years as an actress, director and producer, I am at a point in my career where I want to nurture the incredible talents of youth who have yet to be discovered. I am looking to groom the next big star for film, TV and stage. This is my time to give back to the community. I am excited to announce my very first Arts and Entertainment camp!

This groundbreaking 4-week camp will host aspiring superstars from ages 7-17! The camp will run from June 25<sup>th</sup>-July 20<sup>th</sup>.

Participants of The Crystal Clear Celebrity Camp will engage in a series of performing arts classes to enhance their performance skills and workshops that will heighten their awareness of opportunities in the entertainment industry, as well as the materials needed to get in front of the decision makers. Participants will have headshots done, prepare monologues and dance routines, attend field trips, and learn the basic elements of writing stage plays, mastering vocal auditions, and more. Additional emphasis will be given to self-esteem building, teamwork, career exposure, and life skills.

Lastly, local, regional and national celebrities and actors will serve as mentors to inspire youth to excel in Film, TV & Stage. The camp will culminate with a theatrical extravaganza of all participants showcasing the performing arts. This camp opportunity will change the lives of youth seeking a breakthrough to fame!
